

3D RENDERING SERVICES

AA RENDER STUDIO PORTFOLIO

**AA** is a Hue-based small studio comprised of young dreamers who are full of passion, enthusiasm, energy and other superpower of youth.

Our main work is telling stories about unbuilt building in the language that everyone on the earth can understand: IMAGE.

WHO **WE** ARE & WHAT **WE** DO

A dark blue map of Southeast Asia, including parts of South Asia, with white outlines of country borders. A white dot is placed in central Vietnam, representing Hue City. The text "Hue City" is written in white to the left of the dot.

Hue City •

WHERE **WE** ARE

# OUR SERVICES

---

## 1 EXTERIOR RENDER

A CGI Solution that Revolutionized architecture. For Exterior Visualization allowed showing buildings of any scale before the construction.

## 2 INTERIOR RENDER

Our big team of Experienced and creative 3D Artists are always ready to transform your interior design ideas into visual masterpieces.

## 3 VIDEO ANIMATION

Video presentations are becoming more popular every year. More and more marketers are using video as the main media to promote the project.
